HOUSE FILE 332

BY HANSON

A BILL FOR

1 An Act requiring the use of safety helmets by certain young
2 persons operating motorized bicycles, and making penalties
3 applicable.

4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. Section 321.275, Code 2011, is amended by adding
2 the following new subsection:

3 NEW SUBSECTION. 9. *Motorized bicycle operators —*
4 *helmets.* A person who is under seventeen years of age shall
5 wear a properly adjusted and fastened safety helmet when
6 operating a motorized bicycle. The safety helmet shall be
7 worn at all times when the motorized bicycle is in motion.
8 For purposes of this subsection, "safety helmet" means a
9 motorcycle safety helmet that complies with the standards and
10 specifications established under 49 C.F.R. § 571.218.

11 Sec. 2. Section 805.8A, subsection 6, paragraph b, Code
12 2011, is amended to read as follows:

13 b. Section 321.275, subsections 1
14 through 7 and subsection 9..... \$ 35.

15 EXPLANATION

16 This bill requires a person under 17 years of age to wear
17 a safety helmet when operating a motorized bicycle. The bill
18 specifies that the safety helmet must meet federal standards
19 for motorcycle helmets and must be worn by the driver at all
20 times when the motorized bicycle is in motion.

21 Pursuant to current law, a violation of motorized bicycle
22 operating requirements is a simple misdemeanor punishable by a
23 scheduled fine of \$35.

24 In addition, a violation of the helmet requirement
25 qualifies as a moving violation and, as such, is grounds for
26 cancellation of the person's license to operate a motorized
27 bicycle. A person whose license is canceled may reapply for
28 a license after 30 days. If the person who violates the
29 helmet requirement while operating a motorized bicycle has
30 an instruction permit or intermediate driver's license, a
31 conviction for a moving violation subjects the permittee or
32 licensee to remedial driver improvement action and may be cause
33 for suspension of the license or permit. If the person has a
34 special minor's license, or "school" license, a conviction for
35 a moving violation is grounds for license suspension at the

1 discretion of the department of transportation, and two such
2 violations result in mandatory revocation of the license.
